

Volume 3 – Contents

- Figure 1.1: Site Location Plan
- Figure 1.2: Consented Site Layout Plan (Scale 1:40,000)
- Figures 1.2a-d: Consented Site Layout Plan (Scale 1:20,000)
- Figure 1.3: Proposed Varied Development Layout Plan (Scale 1:40,000)
- Figure 1.3a-d: Proposed Varied Development Layout Plan (Scale 1:20,000)
- Figure 1.4: Varied Development vs Consented Development Layout
- Figure 2.1: Indicative Turbine Geometry
- Figure 2.2: Indicative Turbine Foundation
- Figure 2.3: Indicative Access Track Details
- Figure 2.3: Indicative LIDAR
- Figure 2.5: Indicative Crane Hardstandings
- Figure 2.6: Construction Compound – Indicative Layout
- Figure 2.7a: Indicative Substation Plan
- Figure 2.7b: Indicative Substation Elevations
- Figure 2.8a: Indicative Operations and Welfare Building
- Figure 2.8b: Indicative Operations and Welfare Building – Elevations
- Figure 2.9a: Indicative Existing Operation Building Extension
- Figure 2.9b: Indicative Existing Operation Building Extension - Elevations
- Figure 5.1: Study Area with ZTV (A3)
- Figure 5.2: Study Area with ZTV (A1)
- Figure 5.3: Comparative ZTV of the Consented Development and Varied Development
- Figure 5.4: Designated and Protected Landscapes
- Figure 5.5: Landscape Character Types within Detailed Study Area
- Figure 5.6: Viewpoints (A3)

- Figure 5.7: Viewpoints (A1)
- Figure 5.8: Visual Receptors
- Figure 5.9: Cumulative Sites Within 60km
- Figure 5.10: Cumulative Sites Included in the Assessment
- Figure 5.11: Cumulative ZTV - Varied Development with all CLVIA Sites
- Figure 5.12: Cumulative ZTV - Varied Development with Operational - Under Construction Sites
- Figure 5.13: Cumulative ZTV: Varied Development with Operational - Under Construction Sites and Consented
- Figure 5.14: Cumulative ZTV - Varied Development with all Operational Under Construction, Consented and Application Appeal Sites
- Figure 5.15: Cumulative ZTV - Varied Development with Achany and Rosehall
- Figure 5.16: Cumulative ZTV - Varied Development with Lairg and Lairg 2 Re-Design
- Figure 5.17: Cumulative ZTV - Varied Development with Acheilidh and Garvary
- Figure 5.18: Cumulative ZTV - Varied Development with Balbrlair and Braelangwell
- Figure 5.19: Cumulative ZTV - Varied Development with Beinn Tharsuinn and Beinn Nan Oighrean and Ben Tharsuinn Repower and Western Extension
- Figure 5.20: Cumulative ZTV - Varied Development with Strathrory and Coire Na Cloiche
- Figure 5.21: Cumulative ZTV - Varied Development with Novar (and Extension) and Novar Repowering
- Figure 5.22: Cumulative ZTV - Varied Development with Abhainn Dubh and Celslein
- Figure 5.23: Cumulative ZTV - Varied Development with Creachan
- Figure 5.24: Cumulative ZTV - Varied Development with Inveroykel and Strath Oykel
- Figure 5.25: Cumulative ZTV - Varied Development with Collie Beith and Meall Buidhe
- Figure 5.26: Cumulative ZTV - Varied Development with Corriemillie and Kirkan
- Figure 5.27: Cumulative ZTV - Varied Development with Lochluichart (and Extension) and Lochluichart II Redesign
- Figure 5.28: Cumulative ZTV - Varied Development with Allt An Tuir and Invercassley
- Figure 5.29: Cumulative ZTV - Varied Development with Collie Linne and Sallachy
- Figure 5.30: Cumulative ZTV - Varied Development with Creag Riabhach and Creag Riabhach Extension
- Figure 5.31: Cumulative ZTV - Varied Development with Shinness and Strath Tirry
- Figure 5.32: Cumulative ZTV - Varied Development with Chleainsaid and Polle Hill
- Figure 5.33: Cumulative ZTV - Varied Development with Gordonbush (and Extension) and Kilbraur (and Extension)

- Figure 6.1: Designated Sites Within 10km Buffer
- Figure 6.2: Phase 1 Habitat Survey Results
- Figure 6.3: NVC Survey Results
- Figure 6.4: PCA Survey Results
- Figure 6.5: Protected Species Survey Results
- Figure 8.1: Hydrology Overview
- Figure 8.2a-c: Consented vs. Varied Development Hydrology
- Figure 8.3a-c: Surface Water Features
- Figure 8.4a-c: Private Water Supplies
- Figure 8.5a-c: GWDTE
- Figure 9.1: Additional Peat Probing
- Figures 9.2a-f: Peat Depth
- Figure 10.1: Cultural Heritage: Outer Study Area and ZTV
- Figure 10.2: Cultural Heritage Visualisations: Dail Langwell – Baseline Photograph and Cumulative Wireline Drawing
- Figure 10.3: Cultural Heritage Visualisations: Dail Langwell – Wireline Drawing
- Figure 10.4: Cultural Heritage Visualisations: Dail Langwell – Photomontage
- Figure 13.1: Noise Sensitive Receptors Within 2km
- Figure 15.1: Shadow Flicker
