

SSE Generation Ltd
ELECTRICITY ACT 1989

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

**THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT)
(SCOTLAND) REGULATIONS 2017**

Notice is hereby given that SSE Generation Ltd, company registration number 02310571, with its Registered Office at No.1 Forbury Place, 43 Forbury Road, Reading, United Kingdom, RG1 3JH, has applied to the Scottish Ministers for consent under Section 36 of the Electricity Act 1989 to construct and operate a wind farm known as Achany Extension Wind Farm, located on adjoining land to the north-west of the operational Achany Wind Farm, approximately 4.5km north of Rosehall and approximately 11km west-north-west of Lairg, Highlands, Scotland (Central Grid Reference 246180, 909181). The installed capacity of the proposed generating station would be over 50MW comprising up to 20 turbines with a maximum ground to blade tip height of 149.9 metres and has been subject to Environmental Impact Assessment. An EIA Report has been produced to accompany the application for consent.

SSE Generation Ltd has also applied for a direction under Section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

A copy of the application, with a plan showing the land to which it relates, together with a copy of the EIA Report discussing the Company's proposals in more detail and presenting an analysis of the environmental implications, is available for public inspection, free of charge on the application website <https://www.sserenewables.com/onshore-wind/in-development/achany-extension/> or on the Scottish Government Energy Consents website at www.energyconsents.scot under application reference ECU00001930.

Copies of the EIA Report may be obtained from SSE Renewables (telephone: 01738 341866 / email: karen.anderson@sse.com) at a charge of £450 per hard copy and free on USB/DVD. Copies of a short Non-Technical Summary are available free of charge.

Any representations to the application may be submitted via the Energy Consents Unit website at www.energyconsents.scot/Register.aspx; by email to the Scottish Government, Energy Consents Unit mailbox at representations@gov.scot; or by post to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation. Please note that there may be a delay in the Energy Consents Unit receiving representations by post.

Written or emailed representations should be dated, clearly stating the name (in block capitals), full return email and postal address of those making representations. Only representations sent by email to representations@gov.scot will receive acknowledgement.

All representations should be received not later than **6th September 2021**, although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Local Inquiry (PLI) to be held.

Following examination of the environmental information, Scottish Ministers will determine the application for consent in two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal
