

Grid Ref: 224543 807880 Distance to development: 18.8km AOD: 788.1m

From Invermoriston, travel west on the A887 for approximately 20km, then turn left onto the A87 towards Invergarry and Fort William. Approximately 2.5km after this junction, pull over into a forest track on the left side of the road and find an appropriate place to park without causing an obstruction. Follow this track for approximately 200m before turning right onto another track. Continue along this track for 300m, then leave the path and continue across the open moorland in an easterly direction until you reach the summit of Meall Dubh. Please note that there is no path to the summit, and map and compass are required. Access to this VP requires appropriate equipment and a good standard of fitness.
