Proposed Varied Development6

1 Introduction

- 1.1.1 This Confidential Annex has been produced as a supporting document to **Chapter 6: Ornithology** within **Volume 2** of the Tangy IV Wind Farm Section 36C (S36C) Environmental Impact Assessment (EIA) Report and should be read in conjunction with the chapter. It presents records provided by the Argyll Raptor Study Group (ARSG) of confirmed and possible breeding locations of the following species listed on Schedule 1 the Wildlife and Countryside Act 1981 (as amended):

- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]

- 1.1.2 Additionally, this document details of hen harrier flights recorded during Vantage Point (VP) surveys completed for the Proposed Varied Development between April 2025 and May 2026, some of which may relate to breeding territories and are therefore sensitive.

- 1.1.3 **This information included in this document is confidential and should not be released into the public domain.**
