From Laggan, drive west along the minor road marked 'Garva Bridge' for approximately 10km and stop at the car park just before Garva Bridge on the right side of the road. Cross the bridge on foot and turn right onto a 4x4 track going north. Follow it for 200m, then turn right where it crosses the river and continue along a path following the river. After 2.5km, turn right and follow the side stream to the east for 1km, then cross this stream where it branches off again and walk north-east for another kilometer. From the ridgeline, walk towards the summit cairn, where the VP is located. Access to this VP requires appropriate equipment and a good standard of fitness.
