Stop on the A86 at Camus Cillein next to a small stone hut advertising quad biking tours. Just to the east of this location walk up a rough track which passes through woodland onto the open hill. After 300m this joins another, larger track. Continue uphill for a further 1.3km to a junction. Turn east and walk along the track for 500m then continue eastwards, ascending up the open hill for a further 1.6km to reach the VP.
