Travel south-west from Invermoriston along the A887. After Bun Loyne, keep driving west along the A87 along the northern side of Loch Cluanie, until you reach Lundie car park, on the left side of the road. As described on the 'walkhighlands' website, park here and continue by foot along the minor road on the right side of the A87, then turn left onto the old military road. Follow this road for approximately 700m and then turn right onto a smaller track going up the hill past An Cruachan, towards Carn Gluasaid, and continue north-west until you reach the summit. Please note that there is no path to the summit, and a map, compass, other appropriate equipments and a good standard of fitness are required.
