From Laggan, drive west along the minor road marked 'Garva Bridge' for approximately 10km. Cross Garva Bridge and continue for another 7km towards Melgarve where the road ends. Park in a layby without causing obstruction and continue west on foot along the track past Melgarve bothy. Follow the track for another 6.5km, then after passing Melgarve substation continue off the track to the south-west, until you reach the summit of Poll-gormack Hill. The VP is located by a rock next to a series of fence posts. Access to this VP requires appropriate equipment and a good standard of fitness.
